

curriculum vitae

pablo iglesias prada

instagram: @pabloiprada

Gallery: ZOOH MICRO-GALLERY, Gijon, Spain.

artist- 2015 to present- I have worked solely as a professional artist since 2015. Most of my artistic activity in recent years has been developed using social media and specifically on Instagram. I have developed a following of more than 90k followers. I use social media to share my creative process and sell my art and I combine this with holding exhibitions and commercial projects such as artwork for book covers, album covers and products.
